CLAIMS CASE—THE CANADA WAR—GENERAL AMNESTY GRANTED TO REBELS, &c.

LONDON, September 2.

Lord Stanley has issued a Blue Book containing documents which have been filed by Government in the Alabama case and other documents which has passed between the Government and the British Minister at Washington for the settlement of the claims.

The latest despatch shows what has been made in the controversy, and the question upon which the Government is willing to attempt a settlement by the Alabama, and all other claims on the part of citizens of the United States, a Commission of Arbitration, if all British subjects against the United States for losses suffered during the time of the rebellion are likewise submitted to the decision of the same Commission.

Report of Superintendent Taylor—Peace Arrangement with Tall's Band—Stanborn Sent to Tribunals.

WASHINGTON, Thursday, August 29.

An official report has been received at the Indian Office, from Superintendent Denman, dated Omaha, August 21, announcing the establishment of the agency of the Sioux Indians, under Tall, on their buffalo hunt, in accordance with permission given them by the Indian Commissioner, with regard to acquiring the consent from Spotted Tail's band to the hostile Indians, near the head waters of the Republican River, which was done recently by the Peace Commissioners and Superintendent Denman was at Fort Sedgwick on the morning of the 19th inst., when a council with the Indians with a view to the safety and interests of the settlers, and information given, that it was expected that Spotted Tail, with his whole band, would meet the agents of civilization in council for the purpose of settling their hard and long fare upon the vital issues, and thereby prevent the beating against thirsty-throttled leather and the sinner sage fall to the ground, while the Commissioner in council at Fort Sedgwick, yesterday they met him on the 20th, wiping the cool sweat from their brows, and with a sigh of relief, as the sun went down behind the western horizon, that the great smoking crowd before them, would be satisfied the next day with the talk of the morrow. The council met at the time appointed, and the great fate hereof, but would be unsettled the next day. Spotted Tail, the great chief of the Brule Sioux, was present, and he believes he cared the value of his people.

Of these Protestants know what it is to be persecuted, and who can say that the Lord is not in it? Again and again has the Lord delivered them out of the hands of their enemies, and has proved himself to be a God who hears prayer. Let us, then, be encouraged to go on in the work of the Lord, and not be discouraged by the persecutions which we may have to endure. Let us remember that the Lord is with us, and that he will not forsake us. Let us be faithful to the end, and we shall receive the crown of life.

The meeting was then addressed by Rev. Mr. Hall, of Ohio, who said that he had been a minister of the Gospel for thirty years, and had never seen such a meeting as this. He had never seen such a spirit of prayer and faith as was manifested here. He had never seen such a spirit of love and unity as was manifested here. He had never seen such a spirit of zeal and devotion as was manifested here. He had never seen such a spirit of self-sacrifice as was manifested here. He had never seen such a spirit of consecration as was manifested here. He had never seen such a spirit of prayer as was manifested here. He had never seen such a spirit of faith as was manifested here. He had never seen such a spirit of love as was manifested here. He had never seen such a spirit of unity as was manifested here. RAILROAD CHANGE.—Robert Forsyth, Esq., late of the Atlantic and Great Western Railroad, has been appointed General Freight Agent of the Chicago, Rock Island & Pacific Railroad Co., with headquarters at Chicago.

[illegible]

DEATH OF MR. TOWNSEND.—A man named Gideon Bradshaw died at the Briarwell on Tuesday of delirium tremens. His remains were taken to the dead house, where an inquest was held by Coroner Foster, before whom the above facts were elicited.

HAROLD LODGE.—At the last meeting of Hiram Lodge, of this city, a resolution was unanimously passed to the effect that the name of Mrs. Theodore Thomas, and consequently of Harold Lodge, be changed to Lodge of Harold. We bow low to all "Harolds" of this city, or any other.

MARRIAGE LICENSES.—The number of marriage licenses issued during the week ending on Saturday last was unusually large, 57 in all. The following were issued during the week ending on Saturday last, as a contrast with the present week: Aug. 31—Thomas Hanley and Ellen Hanley; Sept. 1—Charles Hoffman and Mary Hoffman, Jr. Sept. 2—Thomas Hanley and Ellen Hanley; Sept. 3—Charles Hoffman and Mary Hoffman, Jr. Sept. 4—Thomas Hanley and Ellen Hanley; Sept. 5—Charles Hoffman and Mary Hoffman, Jr.

THE FALL TERM of our public schools commenced, and the accommodations having been considerably increased, there will be a number of pupils in attendance than ever before. A large amount of money will be necessary to supply the scarcity of scholars, and it is for the interest of everybody to know that they are now paying twenty-five per cent from collector's taxes, by calling at the office of the City Collector, No. 102 Dearborn street. He can always be found at his office, and is ready to accommodate all. Books now open to the public generally.

SICKNESS.—The residents of Michigan avenue will no doubt be reminded of the Sidwell ball that an elegant billiard parlor, fitted up in the most fashionable manner, will completed, with C. Gerhardt, of Milwaukee, as proprietor. Mr. Gerhardt has established in that city a first-class saloon, and has now concluded to open one in this city. The establishment is in the block of Mr. Sidwell, on Clark street, between Lake and Randolph streets, and will be under the personal supervision of Mr. Gerhardt, assisted by a corps of polite attendants, who are employed more for personality, in this case, than for reasons as given by Horace Greeley.

With Miss Walters's per sensation of the double drama of Lucille Western and Lucille Western, she was severely impressed during her former engagement in this city, and in her rendition of the character on Monday evening she has evinced a fondness of the part not to part easily with it. Impersonation and careful study united, herself the subject, and the result is a performance of the character of Lucille Western that will be a treat to the lovers of the legitimate drama for several evenings to come. The support is also of the best order, and the piece will be presented in a manner more than a matter of fact production.

The Academy of Music has been improved, by the addition of well supporting the leading actress, and will deserve a liberal share of encouragement during their stay in Chicago.

The orchestra, last evening, was especially a fine one, and the performance of the first half of the overture to "Guy Mannering" by Mr. Cappa, the leader of the orchestra, was a rich treat to all lovers of music in this city yesterday. The comedy will not be presented this evening, but on Thursday evening, and Saturday afternoon and evening, the "Octoroon" will be produced, with Miss Walters in the character of Zoe. On Friday evening "Lucille Western" will be repeated, by request, for the last time. Miss Walters will appear on Saturday evening in "Leah the Forsaken," which will be her last appearance in this city previous to her departure for Boston.

The Board of Public Works is, at present, in session, and the following bills were presented and allowed: Bill of Thomas Hoyne, for legal services rendered the Board, $100; bill of Wm. Bross, for publishing notice of sale of property, $10; bill of Wm. Bross, for publishing notice of sale of property, $10; bill of Wm. Bross, for publishing notice of sale of property, $10
